### **Statement of Reason for Allowance**

1. The following is an examiner's statement of reasons for allowance:

The art of record neither teaches nor fairly suggests the method and device of the independent claims as originally filed and as argued by applicant in the Remarks filed 01/30/2007.

Applicant should note the examiner requested a discussion of whether a specific claim limitation exists in the background art and IDS documentation. It is not clear whether applicant addressed this specific inquiry. If the claim limitation should be discovered in the art of record, applicant must bring it to the attention of the examiner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 1-46 and 48-64 are allowable over the prior art of record.
